How American Optimism Met Bulgarian Potential In 2017

We started 2017 with optimism, inspired by a new logo, a new motto, and a new visual identity, which state our mission and long-term support for Bulgaria loud and proud. For the first time in 2017 we gathered all our partners and friends from across the country, with whom we have completed over 700 projects worth more than USD 200 million in the last nine years.

This year alone we launched 60 new projects, worked on over 150 initiatives, and made investments in the amount of USD 16 million. We continue to look for and create new opportunities for strengthening and expanding ABF's community to celebrate Bulgaria's potential.

Education Is A Gift

For nine years, America for Bulgaria Foundation has worked to enhance the prestige of the teaching profession in Bulgaria in order to provide quality education for all children. Principal and teacher training in the United States, Teach for Bulgaria, ABF - Fulbright English teaching assistants in language schools across the country, Spelling Bee competitions, support for the Olympic teams in natural sciences, technological modernization of schools through the Schools of the Future project are only a few of ABF's initiatives in support of Bulgarian education.
